STATINTL

[redacted]

This office feels that §402 of the Federal Employees Pay Act of 1945 relates only to the position held by the permanent employee at his induction into the Army - and he may not count the time in the Army toward a within-grade increase in the CAF-12 position. The Comptroller General speaks of the "original permanent position" in B-48455. & the statute seems to apply only to: "left his position to enter the armed forces." So can't use either statute or the decision.

You may wish to submit this formally to Army Personnel Office so have not written a binding formal memo.
